Requirements for Graduation	• Minimum 39 credits (Including research project)

3. Program Information - MPP

No.	Program	Contents
1	Master of Public Policy (MPP)	The Master of Public Policy (MPP) program is designed to provide global perspective and professional expertise in public policy areas. The program is highly regarded both in and outside of Korea, particularly among developing nations and government officials. The faculty with outstanding research backgrounds and empirical knowledge offers a leading curriculum that integrates theory and practice. Students are required to take one of the economic policy study areas, and may select additional study areas to cover 39 credits towards their graduation. The highly diverse student composition provides a unique educational environment. Both domestic and international students from all walks of life, including the government, the media, and NGOs are able to share ideas, knowledge and experiences, and build a dynamic global network. Academic Goals • Expand policy-makers' capability in policy planning, analysis and implementation • Foster professionals in the field of economic and social policies Study Area • Finance and Macroeconomic Policy • Trade and Industrial Policy • Public Finance and Social Policy • Regional Development and Environment Policy

3. Program Information – MDP

(၅)

No.	Program	Contents
2	Master of Development Policy (MDP)	Based on the KDI's hands-on experience on development policy of over 40 years, the Master of Development Policy (MDP) program offers a curriculum where students can examine various issues of socio-economic development in both theoretical and practical frameworks. The program is specifically targeted for international professionals, including government officials, development consultants, and regional specialists who wish to contribute to development policy-making. The program is also focused on fostering professionals in the field of the official development assistance (ODA). Students must take the required core courses as well as a certain number of courses from Sustainable Development or International Development areas. <u>Academic Goals</u> • Build capacity in designing and implementing economic and social policies of developing countries • Train professionals in the field of official development assistance (ODA) and international development Study Area • Sustainable Development • International Development

3. Program Information – MPM

No.	Program	Contents
3	Master of Public Management (MPM)	The MPM seeks to fulfill policy management needs in today's global environment through an integrative education program that covers various facets of management and leadership in both public and private sectors. The aim of the program is to nurture professionals who can successfully navigate and manage the complexities of global and private policy environments, make preemptive decisions to deal with the challenges, and have the capacity to put them into action. Academic Goals • Improve comprehensive problem solving skills in public administration and management, with the help of reinforced understanding of global and private policy environment • Foster high-quality public workforce capable of policy design and execution Study Area • Public Administration and Leadership • Strategic Management • Global Governance and Political Economy

4. Scholarship Category ①①

- All admitted international students become potential candidates for full or partial scholarship.
- More than 95% of current international students receive full tuition waiver and monthly stipend.
- Scholarship awards and benefits are decided by the admissions committee upon one's admission to the school.

Fall 2019 Admissions Scholarship			
No.	Scholarship Supporter	Category	Scholarship Title
1	KDI School	Master's Program	Global Ambassador Scholarship(GAS)
			- Tuition waiver - Monthly Stipend (About \$850) <i>* All scholarship benefits are primarily intended for countries named on the DAC List of ODA recipient nations, as published by the OECD.
